Primary Benefits

- + Supports clean and healthy-looking teeth with hydroxyapatite
- + Keeps the teeth and gums clean with xylitol
- + Helps remove tooth stains with hydrated silica, a gentle abrasive
- + Leaves breath "cinna-mint" fresh with Peppermint, Myrrh, Wintergreen, and On Guard Blend

Description

This whitening toothpaste uses the On Guard blend of CPTG Certified Pure Tested Grade® Wild Orange, Clove Bud, Cinnamon Bark, Eucalyptus, and Rosemary essential oils to provide an extra cleaning boost. Additional essential oils—Peppermint and Wintergreen—as well as the natural sweetener xylitol, give this toothpaste a unique "cinna-mint" flavour that leaves both your breath and toothbrush fresh and clean throughout the day.

Calcium hydroxyapatite, a key oral care agent in this toothpaste, has been clinically shown to support strong and healthy-looking teeth. Hydrated silica is a gentle abrasive that helps remove plaque without damaging tooth enamel, gently polishing teeth for a lasting fresh, clean feeling.

Directions for Use

After flossing, apply a pea-size amount of paste to moistened toothbrush. Brush thoroughly, preferably after each meal or at least morning and night, or use as directed by a dentist or physician.

For optimal results, follow with dōTERRA® On Guard® Mouthwash.

Cautions

Use only as directed. Keep out of reach of children.

Ingredients

Glycerin, Water/Aqua/Eau, Hydrated Silica, Calcium Carbonate, Xylitol, Hydroxyapatite, Cellulose Gum, Mentha Piperita (Peppermint) Oil, Xanthan Gum, Stevia Rebaudiana Leaf Extract, Sodium Lauroyl Sarcosinate, Citrus Aurantium Dulcis (Orange) Peel Oil, Cinnamomum Zeylanicum Bark Oil, Eugenia Caryophyllus (Clove) Bud Oil, Cinnamomum Zeylanicum Leaf Oil, Gaultheria Procumbens (Wintergreen) Leaf Oil, Eucalyptus Globulus Leaf Oil, Commiphora Myrrha Oil, Rosmarinus Officinalis (Rosemary) Leaf/Stem Oil, Sodium Chloride, Sodium Glycolate
