Primary Benefits

- + Freshens breath and promotes good oral hygiene
- + Traditionally used in Herbal Medicine to aid digestion and help relieve flatulent dyspepsia, nausea, and vomiting

Description

Peppermint Beadlets provide the potency of Peppermint essential oil in a single-serving, fast-dissolving beadlet. Each beadlet delivers a refreshing burst of CPTG® Peppermint oil in your mouth, instantly freshening your breath as you inhale the cooling aroma. So much more than breath mints, this natural health product (NHP) can also promote both oral health and digestion, as well as help relieve digestive discomfort, including occasional stomach upset, nausea, and vomiting. NPN 80078395
