## Description

Salon Essentials Smoothing Conditioner is a professional formula of conditioning emollients, botanical extracts, and proteins that leave hair looking luminous and healthy. It also includes a proprietary blend of CPTG® essential oils specifically selected to bring hair to life. These naturally derived ingredients seal and protect hair cuticles against water penetration to the hair shaft. This conditioner smooths hair and provides an anti-static effect that keeps hair shafts aligned during styling for a smooth, finished look.

## Directions

After shampooing, work evenly into wet hair. Wait one minute, then rinse thoroughly. For external use only.

## Ingredients

Aqua, Stearyl Alcohol, Behentrimonium Methosulfate, Cetearyl Alcohol, Betaine, Cyclopentasiloxane, Stearalkonium Chloride, Dimethicone, Silicone Quaternium-3, Quaternium-91, Cetyl Alcohol, Hordeum Distichon (Barley) Extract, Cetrimonium Methosulfate, Hydroxypropyl Guar, Phenoxyethanol, Butylene Glycol, Caprylyl Glycol, Phellodendron Amurense Bark Extract, Santalum Album (Sandalwood) Extract, Trideceth-12, Ethylhexylglycerin, Hexylene Glycol, Tetrasodium Glutamate Diacetate, Panthenol, Mentha Piperita (Peppermint) Oil, Achillea Millefolium Extract, Tussilago Farfara (Coltsfoot) Flower Extract, Lavandula Angustifolia (Lavender) Oil, Hydrogenated Soybean Oil, Cedrus Atlantica Oil, Origanum Majorana Leaf Oil, Melaleuca Quinquenervia, Rosmarinus Officinalis (Rosemary) Leaf Oil, Lavandula Hybrida Oil, Eucalyptus Globulus Leaf Oil, Cananga Odorata Flower Oil, Cinchona Succirubra Bark Extract, Citrus Aurantifolia (Lime) Oil, Citrus Limon (Lemon) Peel Oil, Polyglyceryl-3 Distearate, Polysorbate 60, Guar Hydroxypropyltrimonium Chloride, Myristic Acid, Palmitic Acid, Stearic Acid, Persea Gratissima (Avocado) Oil, Triticum Vulgare (Wheat) Flour Lipids
