Tea Tree (NHP) | *Melaleuca alternifolia* 15mL

30152113

Primary Benefits

- + Has a refreshing, clean aroma
- + Comforts and soothes dry skin
- + Effectively cleanses surfaces
- + Naturally sourced deodorant
- + Used in aromatherapy to help relieve colds and cough*

Description

One of the original five dōTERRA essential oils, Tea Tree is a versatile classic with a fresh, revitalizing aroma. It is renowned for its topical cleansing properties, soothing benefits to skin, and ability to refresh the air. When used in aromatherapy—such as through diffusion, steam, or by rubbing on the chest—Tea Tree essential oil can help relieve coughs and colds. NPN 80060950.

Tea Tree oil is a household hero with limitless applications in skin care, hair care, body care, and home care. Add Tea Tree oil to your shampoo to invigorate the scalp and cleanse the hair, or apply it to your cuticles to promote nourished, healthy-looking nail beds. It can also be added to your daily moisturizer to soothe and comfort dry, cracked skin. When diffused, Tea Tree has a powerful, clarifying scent that can dispel stuffy odours and leave your space feeling refreshed.

Uses

- + Apply Tea Tree oil to skin for a soothing effect after shaving.
- + Apply to cuticles after showering to keep nails looking healthy.
- + Combine Tea Tree oil with a daily lotion to help moisturize dry, cracked skin.
- + Apply Tea Tree oil to your underarms for a naturally sourced deodorant.
- + Add one to two drops to your shampoo or daily facial cleanser for boosted cleansing properties.
- + Add Tea Tree oil to a spray bottle with water and use on surfaces as a cleansing agent.

Therapeutic

- + Used in aromatherapy to help relieve colds and coughs.

Directions

Aromatic use: Use three to four drops in the diffuser of your choice.

Topical use: Apply one to two drops to desired area. Dilute with a carrier oil to minimize any skin sensitivity.

*dōTERRA Tea Tree essential oil is registered as a natural health product (NHP): NPN 80060950.

Cautions

Not for oral use. Keep out of reach of children. External use only. Avoid contact with eyes and mucous membranes; if this happens, rinse thoroughly with vegetable oil. If accidental ingestion occurs, seek urgent medical attention or contact a Poison Control Center. Consult a health care practitioner prior to use if you have epilepsy or asthma, or if symptoms persist or worsen. If you are pregnant or breastfeeding do not use this product. Do not expose the applied area(s) to the sun for 24 to 48 hours after application. If you experience nausea, dizziness, headache, or an allergic reaction, discontinue use. For prolonged use, consult a healthcare practitioner.
