Wild Orange | *Citrus sinensis* 15 mL

30171813

Primary Benefits

- + Provides a bright, pleasant, and familiar aroma.
- + Creates an uplifting environment
- + Adds a classic taste to water or recipes
- + Cleanses surfaces and improves the scent of the home

Description

Cold pressed from fresh fruit peels of the sweet orange tree, Wild Orange essential oil is one of the best-selling dōTERRA essential oils. This versatile citrus offers an energizing aroma and many topical, household, and culinary uses.

High in the natural chemical constituent limonene, Wild Orange possesses many cleansing properties, making it effective as a daily household surface cleaner. Diffusing it will energize and uplift the atmosphere, adding a delightful freshness to the air. A drop of Wild Orange oil enhances any essential oil blend with its fresh, sweet aroma, while its classic flavour adds an extra zing to any dish or dessert. You can enjoy its taste by putting a drop of Wild Orange oil into your daily water bottle or morning smoothie.

Uses

- + Mix Wild Orange oil with water in a spray bottle and spritz on surfaces for a cleansing boost.
- + Diffuse Wild Orange oil for an uplifting aroma and to freshen the air.
- + Place one to two drops of Wild Orange oil in your palms, rub together, and inhale deeply for an energizing aroma.
- + Add a drop to your water every day for a burst of flavour and to promote hydration.
- + Add Wild Orange oil to a favorite recipe for a refreshing taste or to substitute for orange zest.

Directions

Diffusion: Use three to four drops in the diffuser of choice.

Internal use: Dilute one drop in 120 mL of liquid.

Topical use: When used topically, dilute 1 drop with 5-10 drops of carrier oil to minimize skin sensitivity.

Cautions

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas. Avoid sunlight or UV rays for up to 12 hours after applying product.
