How do I get 30 percent back in FREE Loyalty Points?

This sets you up to receive the Product of the Month for free and take advantage of any promotions. Pay attention to the PV versus price, as many promotions are PV-related, and start on the 1st of the month.

How do I redeem my Loyalty Points?

- In your shopping cart select "Use Your Reward Points!" on the products you would like to redeem with your Loyalty Points. New points are added around the 15th of the following month after each order is placed.

How do I create or change my order?

- To create a Loyalty Order, hover over the account dropdown and click on "My Loyalty Order" to get started.
- To change a Loyalty Order, you can choose to edit from the homepage or hover over "My Account" and select "My Loyalty Order".
