

KEY INGREDIENTS AND BENEFITS

- Natural sugar cane gently exfoliates
- Sunflower oil smooths and softens skin
- Sweet almond oil serves as a moisturiser and provides a smooth glide across the skin
- Kukui nut oil soothes and moisturises skin.

PRODUCT DESCRIPTION

The dōTERRA SPA Exfoliating Body Scrub is an indulgent body scrub. Using sugar cane, it gently exfoliates and polishes skin, leaving a healthy glow. Infused with CPTG essential oils of Wild Orange, Grapefruit, and Ginger, this body scrub provides a custom, at-home spa experience. Formulated with a rich blend of kukui, macadamia, and coconut oils, the dōTERRA SPA Exfoliating Body Scrub not only removes dead skin cells, but also replaces vital hydration to keep skin looking smooth and soft. This luxurious scrub is sure to entice your senses, pamper your body, and warm your soul.

USES

- Use regularly for healthy and glowing skin.
- Incorporate into your morning routine and experience the uplifting aromas of Wild Orange and Grapefruit essential oils.
- Use the Exfoliating Body Scrub regularly to keep your skin revitalised and soft.
- When your skin is feeling rough, dry, or dull apply to leave you feeling renewed and your skin restored.

DIRECTIONS FOR USE

Apply to damp body and massage on areas in need of exfoliation for a healthy, natural glow. Rinse well.

CAUTIONS

For topical use only.
