A dōTERRA® Business

Are You Ready to Live Your Dreams?

There was a woman who hauled buckets of water for a living. Every day, she hauled water from the nearest source to her distant village. If she needed more money, she'd simply work longer hours and haul more buckets.

After many years, she grew weary of hauling buckets. Then inspiration came. If she used her spare time to build a pipeline, she could eventually create a new kind of financial security and be free from hauling buckets. She labored diligently for a few years to build her pipeline.

The day she turned on the spigot, everything changed. She successfully created an unlimited supply of water, improved her villagers' lifestyles, and secured her own financial future.

Today this woman is free to live her dreams.
