ESSENTIAL SKIN CARE GUIDE

Choosing the right skin care products and knowing when to use them is the first step toward vibrant, healthy-looking skin. Regardless of your skin type or age, every daily skin care routine should include four basic steps: cleansing, toning, targeting, and moisturizing. Select products based on your specific skin care concerns and individual needs. For best results, follow the steps below.

1. Cleanse

FACIAL CLEANSER

Start and end the day with a good cleanser. Cleansing is important to overall skin care and the best way to rid the skin of excess oils, makeup, pollution and other buildup.

INVIGORATING SCRUB

Exfoliating is necessary for removing dead skin cells and other impurities that can clog pores. Depending on your skin sensitivity, exfoliate in place of normal cleansing 2-3 times per week morning or night to rejuvenate your skin.

2. Tone

PORE-REDUCING TONER

In addition to reducing the appearance of pores, toning will remove any traces of dirt and oil left on the skin after cleansing and prepares the skin for other skin care products or makeup.

3. Target

BRIGHTENING GEL

Depending on your skin sensitivity, Brightening Gel can be used morning and/or night as an all-over facial product or to target dark spots.

TIGHTENING SERUM

Designed to be used morning and night, Tightening Serum moisturizes your skin while targeting the appearance of normal aging.

ANTI-AGING EYE CREAM

No matter your age, it's beneficial to use an eye cream morning and night to target the appearance of fine lines and wrinkles around the delicate eye area.

4. Moisturize

ANTI-AGING MOISTURIZER

Optimal hydration is key to preventing and treating the appearance of fine lines and wrinkles and other normal signs of aging. Suitable for all skin types and ages, this light moisturizer can be used morning and night or as frequently as desired.

HYDRATING CREAM

Intensely hydrating and formulated with probiotics to nourish your skin, Hydrating Cream can be used morning and/or night depending on your skin needs.

LIST OF ESSENTIAL OILS

Bergamot (FC free)

Bergamot provides purifying and cleansing skin benefits while the spicy citrus aroma uplifts and calms.

Blue Tansy

Recognized for its deep blue color and sweet, fruity aroma, Blue Tansy also soothes and promotes the healthy appearance of skin.
