

BRIGHTENING GEL

Essential Skin Care | 30mL

PRIMARY BENEFITS

- Daisy Extract is a plant based skin-brightening agent that helps to promote even skin tone and helps reduce the appearance of dark spots
- Ginger Root Extract helps promote even skin tone and radiant-looking skin
- Ascorbyl tetrisolpalmitate (a derivative of Vitamin C) may provide skin-brightening benefits
- Microencapsulation technology helps protect vitamin C from breakdown due to oxygen exposure, ensuring both the stability and efficient delivery of the vitamin to the skin

PRODUCT DESCRIPTION

dōTERRA Brightening Gel combines extract and encapsulated vitamin C with CPTG® essential oils to help brighten and even skin tone and contains Bergamot, Juniper Berry, and Melissa essential oils. Can be used as an all-over facial product or to reduce the appearance of dark spots.

DIRECTIONS FOR USE

Apply a small amount of gel evenly to face and neck or to specific areas of concern. Dispense a small amount of product onto hand and apply evenly to face and neck or to specific areas of concern. Avoid contact with eyes.

CAUTIONS

For external use only. Avoid direct contact with eyes. If skin irritation occurs, discontinue use.
