

Cleanse and Restore

FROM THE INSIDE OUT!

To complement your 30 day cleanse along with the proper diet to promote maintenance of your body's natural toxicity defences, dōTERRA recommends combining it with the Lifelong Vitality Pack. Consisting of three nutritional supplements that should be a part of your daily nutrition plan, these are especially important as part of a detoxifying cleanse and restoration process.

Microplex MVp® Natural Nutrient Complex provides a balanced formula of bioavailable vitamins and minerals to address nutrient deficiencies and support healthy metabolism and cellular energy.

xEO Mega® is a proprietary blend of omega fatty acids and CPTG® essential oils to support many crucial bodily processes, including immune function.

Alpha CRS®+ Cellular Vitality Complex is an innovative combination of botanical extracts that support healthy cell function and cellular energy.

Together these supplements provide the nutrients vital to maintain your health and increase the effectiveness of your cleanse!

NATURAL SOLUTION TO

Detoxification

WHAT IS Zendocrin®?

Zendocrin is designed to cleanse and support your body's systems. This Detoxification Blend is composed of essential oils such as Rosemary, Cilantro and Juniper Berry, which are known for their **detoxifying properties**. Other essential oils like Tangerine and Geranium, which have powerful purifying effects. When combined, these essential oils work together to create a blend that helps to **rid the body of toxins and free radicals** while **supporting the healthy function** of many of the body's vital organs. Proper functioning of your vital organs and minimizing toxic load can influence your health as much as any other controllable factor.

WHAT MAKES Zendocrin® UNIQUE?

The proprietary combination of Tangerine, Rosemary, Geranium, Juniper Berry, and Cilantro essential oils have been shown to have a number of detoxifying benefits. Their synergistic benefits provide an easy way to minimize the effects of the toxins we are exposed to through normal daily life. It not only helps to manage toxins in the body, it also can be a vital part of a regular cleansing regimen or an occasional detoxifying cleanse. Zendocrin is designed to provide all the benefits of Zendocrin's essential oil blend in an easy-to-consume softgel, with a simple delivery system and no risk of waste or mess!

dōTERRA's Detoxification Program

dōTERRA's answer to minimizing toxic load comes in the form of a 30-day renewing cleanse. It is simple and easy to follow - consisting of a series of innovative products that work with your inherent cleansing processes. When combined with a healthy diet, the renewing cleanse works to maximize the health and efficiency of your vital cleansing organs so that you can minimize toxic load naturally and maintain the results long-term.

STEP 1

GX ASSIST®
GI CLEANSING FORMULA

This proprietary blend helps purify and cleanse the digestive system while the caprylic acid supports overall digestive health and microbial balance

- Begin with GX Assist for 10 days, 1 softgel per meal, up to 3 per day. Begin with a single softgel each day to assess your tolerance.

STEP 2

PB Assist+ promotes a positive balance of microflora, resulting in optimal digestive and immune system, and supports gastrointestinal tract function.

- Take 1 capsule, three times per day with meal.

PB ASSIST+® PROBIOTIC
DEFENSE FORMULA

Throughout the entire 30-day renewal program, two other supplements should be taken for additional cleansing support:
