

PRIMARY BENEFITS

- Maintains feelings of clear airways and easy breathing
- Quick, convenient delivery system
- Provides a cooling, soothing effect both topically and aromatically

PRODUCT DESCRIPTION

Enjoy the convenience, quick absorption, and smooth application of dōTERRA Breathe™ Vapor Stick. This unique delivery method of dōTERRA Breathe™ essential oil blend can be used anytime, anywhere to promote feelings of clear airways and easy breathing. The natural formula of this vapor stick glides on the skin with ease, without leaving a greasy or sticky after-feel. The power of dōTERRA Breathe™ essential oil blend can be felt immediately, providing a cooling effect both topically and aromatically.

The small and convenient package of dōTERRA Breathe™ Vapor Stick is perfect for traveling, and only a small amount is needed to feel its immediate effects. The vapor stick works in conjunction with the other dōTERRA Breathe™ products, providing powerful respiratory support for you and your family.

DIRECTIONS FOR USE

Apply to chest and neck area as needed to soothe airways.

CAUTIONS

Possible skin sensitivity. Keep out of reach of children. If pregnant or under doctor's care, consult your physician. Avoid sunlight or UV rays for up to 12 hours after applying.
