

dōTERRA®

Product Guide | *Spring/Summer 2024*

A misty forest of evergreen trees, likely pines or firs, with a soft, ethereal atmosphere. The trees are densely packed and their colors range from deep green to a lighter, hazy green due to the mist. The lighting is soft and diffused, creating a sense of depth and tranquility.

“ I frequently tramped eight or ten miles through the deepest snow to keep an appointment with a beech tree, or a yellow birch, or an old acquaintance among the pines. ”

Henry David Thoreau

dōTERRA®

Most people know dōTERRA simply as an essential oil company. But to truly understand who we are and what we do, look to our purpose:

- We intentionally source the gifts of the earth, enriching every life we touch.
- We empower people and communities in their pursuit of self-reliance.
- We break cycles of human suffering and poverty as our business expands.
- We advocate and educate to empower everyone with natural wellness solutions.
- We advance science for the innovative use of essential oils.

dōTERRA was founded with the bold commitment to sell only pure essential oils. As we rapidly expanded, traditional suppliers told us we couldn't maintain our growth without resorting to extended or adulterated oils. But we refused to compromise on quality. Instead, we began sourcing essential oils directly. We set up long-term relationships with farmers and distillers, building our Global Botanical Network of sourcing partners. We created an award-winning sourcing model—Cō-Impact Sourcing®—to source the best and help the most.

Responsible sourcing blesses the lives of the growers and harvesters from whom we source dōTERRA essential oils. It also makes a difference for you. When we say our intention is to enrich every life we touch, we mean *every life*—from our planting and harvesting partners to the individuals and families who use our essential oils in their homes. It's why we pursue what's pure.

The dōTERRA Impact

At dōTERRA, we source the best and help the most. This is a commitment to produce the world's highest-quality essential oils in ways that truly empower the people we work with on the journey from source to you. We do so through our award-winning Cō-Impact Sourcing® model.

dōTERRA® essential oils are intentionally sourced to create positive change for the people and communities we work with to produce it.

Power of One 100% of donations to the dōTERRA Healing Hands Foundation® are always given to aid because dōTERRA International covers the operating costs of the foundation. Of the donations used to support a Power of One project, 100% is used to empower the individuals in Cō-Impact Sourcing® supply chain areas for the current project. Once the fundraising goal for a Power of One project has been met, dōTERRA Healing Hands® will distribute additional donations raised among other projects in need of funding until the following quarter when next Power of One fundraiser launches and fundraising for that project begins.

What Are Essential Oils?

The Power of the Entire Earth in One Bottle

On the 196,900,000 square miles of the earth's surface, scientists estimate there are 390,000 plants—with new species being discovered regularly. Unseen by the naked eye, essential oils hide in the seeds, stems, roots, barks, flowers, needles, and fruits of plants.

Essential oils are typically found in microscopic, specialized glands within certain plants. Scientifically speaking, essential oils are small organic molecules that quickly change from a liquid to a gas at room temperature. That's what makes bottled essential oils so powerful. Your bottle contains tiny molecules in a liquid state. When you unscrew the cap and open it, the molecules change swiftly from a liquid to a gas, which is why you can smell the essential oil immediately—even from a distance.

Natural Solutions for Modern Problems

Essential oils have become increasingly popular and commonplace recently. However, their use dates back to ancient Egypt, Greece, and Rome, among other places. Essential oils aren't just a fad or new trend. They're powerful plant extracts that can be used to promote well-being—just as they have for centuries. Today, millions of people have made essential oils part of their homes because these gifts of the earth provide a natural way to make everyday life easier.

CPTG®

CPTG Certified Pure Tested Grade®

Previously in the world of essential oils, no set standard of quality existed, allowing many companies to cut corners on purity. So we made our own standard: CPTG Certified Pure Tested Grade.

We diligently work with a worldwide network of essential oil chemists, growers, and distillers to select botanicals of the correct species that are grown in ideal environments and harvested at the right times. Once an essential oil is distilled, it must pass a series of rigorous lab tests, layered one on top of the other for a more complete picture—including gas chromatography–mass spectrometry (GCMS). These steps and processes make dōTERRA® essential oils the purest on the market.

Why It Matters

Many oils contain fillers, artificial ingredients, contaminants, or chemical residues. These adulterating elements can cause an oil to lose its efficacy and can even be harmful in some cases.

When you choose to purchase essential oils, you're looking for natural solutions to support your home and family. The CPTG® standard ensures when you order from dōTERRA, you receive pure, unadulterated essential oils that are safe to use on yourself and your loved ones. You should never have to settle for anything less.

Essential Oil Uses

Anyone can benefit from essential oils. Millions of people across the world are passionate about using natural products to support their families and live a healthy lifestyle. When you adhere to product labels, instructions, and warnings, you can confidently bring essential oils into your home.

Essential oils have a long history of safe, effective usage. When you apply a proper amount of pure essential oils, they're absolutely safe for you, your family, and your home. Like anything else you'd bring into your space, essential oils are safe when you adhere to recommended doses and employ them as intended.

There are three basic essential oil application methods: aromatic, topical, and internal. Essential oils can also be used for home care.

Using an essential oil aromatically means experiencing its properties through the air. Aromatic usage typically includes breathing in or inhaling an essential oil, allowing the scent to interact with your senses.

Applying an essential oil topically is a safe, effective way to enjoy the benefits it offers the skin.

Taking an essential oil internally can be done by directly applying it to the tongue or mouth, filling a Veggie Cap, or adding it to food and beverages.

Certain essential oils can be extremely beneficial in the home for daily chores and cleaning. If cleaning and caring for your home with natural, nontoxic ingredients is important to you, then dōTERRA® essential oils can provide a simple, powerful way to keep your home in order.

Look for the following symbols in this guide to help you determine how an essential oil can be used. You'll also notice sensitive skin symbols to help you safely dilute products before applying them topically.

Application Methods

- A** Can be used aromatically
- T** Can be used topically
- I** Can be used internally
- H** Can be used for home care

Sensitive Skin

- N** Can be used with no dilution (neat)
- S** Dilute for young or sensitive skin (sensitive)
- D** Dilute before using topically (dilute)

Guidelines for safe usage:

- **Labels:** Pay attention to any warnings included on essential oil packaging.
- **Areas to avoid:** Avoid putting essential oils in the nose, inner ears, and eyes or on broken skin or other sensitive areas.
- **Dilution:** To minimize skin sensitivity, dilute essential oils with a carrier oil. The suggested dilution ratio is one drop of essential oil to five drops of carrier oil.
- **Strong essential oils:** Always dilute essential oils with a particularly strong chemistry (like Cassia, Cinnamon Bark, Clove, Oregano, and Thyme) before topical application.
- **Sun sensitivity:** Avoid direct sunlight or UV rays for at least 12 hours after using certain essential oils on the skin that may pose a risk for skin sensitivity (such as citrus oils).
- **Safe storage:** Store essential oils out of reach of children. Keep them away from excessive light or heat.
- **Young children supervision:** Always supervise essential oil application with children. Dilute essential oils before applying them to a child's skin.

Where to Begin

Using essential oils is intuitively simple and highly satisfying. However, the many oils available, with their numberless combinations and wellness applications, can be a bit overwhelming to beginners. As a simple first step on your journey with essential oils, we recommend a trio of Lavender, Lemon, and Peppermint. Three of our most popular oils, they will provide you and your family a compelling experience with the life-enhancing properties of essential oils. See individual labels for ingredients, cautions, and instruction for use.

ProBiome Support

Your body's microbiome is like an invisible organ. You're made up of about 70 trillion cells, but less than half of those cells are human! The rest are what's known as your microbiome—a vast, diverse ecosystem of microbes all throughout your body that are essential for your health and wellness. A diverse microbiome is a healthy microbiome. Adults may combine both ProBiome supplements daily for a superior diversity of 43 unique bioactive pre-, pro-, and postbiotics, along with bacteriophages.

Personal Care

dōTERRA® Essential Skin Care

dōTERRA Essential Skin Care is a family of skin care products designed to keep your skin feeling and looking young, healthy, and gorgeous by maximizing the natural power of carefully selected CPTG® Certified Pure Tested Grade® essential oils combined with cutting-edge ingredient technologies and natural extracts in each product. Target the visible signs of aging with dōTERRA Essential Skin Care.

Reveal Facial System

Reveal Facial System is a two-step process that will give your face a spa-like treatment, bringing the glow of your skin's radiance and beauty to the surface.

- Features dōTERRA citrus essential oils of Lime and Wild Orange to purify the skin
- Bamboo silk beads and botanical enzymes exfoliate dead skin cells for a fresh face
- Nutrient-rich formula helps maintain a radiant complexion

Face Mineral Sunscreen Daily Moisturizer

Formulated with non-nano zinc oxide, this lightweight, SPF 28 broad-spectrum formula shields your face from damaging UVA/UVB rays and blue light-emitting screens. This moisturizer absorbs quickly with no white cast, leaving your skin hydrated and protected. Oxybenzone-, paraben-, and phthalate free as well as vegan-friendly, reef-safe, and cruelty free. Intended for everyday use.

- Delivers SPF 28 broad-spectrum (UVA/UVB) protection
- Moisturizes while protecting your skin from the sun and blue light-emitting screens
- Nourishes skin with vitamin E, evodia, grapeseed oil, and CPTG® essential oils
- Dermatologist tested, noncomedogenic formula
