

Essential Oil Confetti Bath Bombs

Ingredients:

- 1 cup baking soda
- ½ cup cornstarch
- 1 cup citric acid
- ½ cup dōTERRA Fractionated Coconut Oil
- 10 drops of your essential oil of choice
- Sprinkles
- Food coloring
- Silicone mold

Directions:

- Place citric acid, baking soda, cornstarch, and Fractionated Coconut Oil into bowl. (Note: citric acid can be found in most supermarkets in the canning section.)
- Add your essential oil of choice. Oils like Lavender, Wild Orange, Clary Sage, and dōTERRA blends like Citrus Bliss® or dōTERRA Serenity® work well.
- Mix well until soft dough is formed. It should have the consistency of mildly-damp sand and should hold together when pressed. If mixture is too wet, add baking soda and cornstarch.
- Add food coloring and mix until color is evenly distributed.
- Press mixture firmly into silicone mold and sprinkle the top with your favorite party sprinkles. Let dry for 24 hours before removing from mold. (If you don't have a silicone mold, cupcake liners will also work.)
- Bath bombs are ready to use! Simply drop in tub full of water and allow to dissolve completely.
