

## PRIMARY BENEFITS

- dōTERRA Breathe® Respiratory Blend (5mL) has been used by a variety of individuals seeking to minimize the effects of seasonal changes.
- dōTERRA On Guard® Protective Blend (5mL) assists athletes by supporting healthy immune system function necessary to keep up with an active lifestyle.\*
- Lavender (5mL) essential oil is widely used for its calming and relaxing qualities. It can be diffused at night, after an event, or applied to soothe the skin.
- Melaleuca (Tea Tree) (5mL) essential oil, one of our most popular and versatile oils, can be used for a variety of athletic needs for its cleansing and rejuvenating effect on the skin.
- Peppermint (5mL) essential oil promotes a boost when feeling fatigued or low on energy.
- Deep Blue® Rub (120 mL) is perfect for the athlete in your life. Massage Deep Blue into lower back after an energizing day.
- Compact, reusable zippered carrying case.

## PRODUCT DESCRIPTION

Whether in competitive arenas or a local gym, activity is a cornerstone of health. As anyone who has ever donned workout shoes will tell you, athletic activity can tax your body. The dōTERRA Athlete's Kit is designed with athletes in mind, and is perfect for supporting healthy lifestyles from competitive to health-minded. The kit includes key products for those with an athletic lifestyle: 5mL bottles of dōTERRA Breathe, dōTERRA On Guard, Lavender, Melaleuca (Tea Tree), and Peppermint and a 120 mL tube of Deep Blue Rub presented in a compact, reusable zippered pouch. With the Athlete's Kit, you can enjoy implementing athleticism in your life.

## CONCEPT

dōTERRA partners with athletic facilities to provide elite athletes with the beneficial properties of essential oils. This same kit is now available to all sports enthusiasts and athletes. Packaged in a convenient carrying case for use wherever your activities take you, this kit is geared toward active individuals who are new to the benefits of essential oils and dōTERRA.
