PRODUCT DESCRIPTION

Zendocrin essential oil blend supports the body's natural ability to rid itself of unwanted substances.[†] This powerful blend combines Rosemary, Cilantro, and Juniper Berry, known for their internal detoxifying properties and ability to support healthy liver and kidney function, while Tangerine and Geranium have purifying effects against unhealthy substances.[†] Zendocrin helps cleanse the body of toxins and free radicals that can slow the body's systems down, leaving a heavy, weighted feeling when used internally.[†]

USES

- Add one to two drops to citrus drinks, teas, or water to support healthy liver function.[†]
- Take one drop daily for one week as part of an internal cleansing regimen or to kick-start a New Year's resolution.[†]
- Apply to abdomen or bottoms of feet to support the body's natural detoxification system.

DIRECTIONS FOR USE

Diffusion: Use three to four drops in the diffuser of choice.

Internal use: Dilute one drop in 4 fluid ounces of liquid.

Topical use: Apply one to two drops to desired area.

Dilute with a carrier oil to minimize any skin sensitivity.

See additional precautions below.
