

What is BOGO?

Buy One, Get One. Every so often, we offer a BOGO deal: if you buy a specific oil or product, we give you another oil or product for free. This is our way of helping you get more of the essential oil products you love!

Whether you're wanting to expand your essential oil collection, build a dōTERRA business, or you just love getting free oils, BOGO deals are for you. A few times every year, dōTERRA surprises customers and Wellness Advocates with these Buy One, Get One deals that you won't be able to resist.

Promotion Rules

- The BOGO BOX and ALL BOGO COMBOS are available from 18 March – 22 March 2024 (22 March 2024 11.59pm AEDT / 23 March 2024 1.59am NZDT) or while supplies last.
 - Orders must be processed during this window in order to receive the free item(s). The free item(s) from BOGO will not save to a Loyalty Rewards Program (LRP) order scheduled to process on a later date, but you can add the "buy one" product to your template and 'Process Now'.
- To guarantee that you receive this offer, process now rather saving this offer to process at a later date.
- After 22 March 11.59pm AEDT/1.59am NZDT or if sold out prior to end of promotion, the BOGO BOX saved to a Loyalty Rewards Template will be replaced with Melissa essential oil 5mL (30850004).
- Points cannot be used to purchase the BOGO BOX or BOGO COMBOS.
- The BOGO Box and BOGO COMBOS are available at Customer Experience Centre (Will-Call) for in person pick up.
- Available for Global Access. Points and AR Balance cannot be used with Global Access Orders.
- No limits.

Purchasing a BOGO

1. Add the 'buy one' product to your order. BOGOs can process on one-time, loyalty (LRP), enrolment and retail orders.
 - Do not add the free item. It will appear in your cart automatically once the 'buy one' item is added.
2. Click 'Proceed to Checkout' to review your order.
3. Select 'Process Now'.
 - The order must process during the five days of the promotion. Do not save the BOGO to process at a later date.

Please Note:

You can process the BOGO box order on your LRP template to receive product points for your order. If you save the BOGO box to your template, it will be removed from your template at the conclusion of the promotion and replaced with another product.

You can replace the permanent item before your next regularly scheduled processing date if it is not a product you wish to purchase. Please be aware it is your responsibility to ensure you have adequate PV on your template if you are interested in qualifying for commissions.
