# BUILD

A dōTERRA® Business

# Are You Ready to Live Your Dreams?

---

**There was a woman who hauled buckets of water for a living.** Every day, she hauled water from the nearest source to her distant village. If she needed more money, she'd simply work longer hours and haul more buckets.

**After many years, she grew weary of hauling buckets.** Then inspiration came. If she used her spare time to build a pipeline, she could eventually create a new kind of financial security and be free from hauling buckets. She laboured diligently for a few years to build her pipeline.

**The day she turned on the spigot, everything changed.** She successfully created an unlimited supply of water, improved her villagers' lifestyles, and secured her own financial future.

**Today this woman is free to live her dreams.**

A photograph of two women sitting on a light-colored sofa in a bright, sunlit room. The woman on the left has dark curly hair and is wearing a blue short-sleeved top. The woman on the right has long blonde hair and is wearing a light grey cardigan. They are both smiling and looking at each other. The woman on the right is holding an open book. Large windows in the background show a view of trees and a bright sky. The overall mood is warm and positive.
