If the Member's LRP Order is at least 50 Personal Volume (PV) points every calendar month, the Member is eligible to receive Product Credits each month.

PV is the point value of products purchased by a Member in one calendar month. Not all products will generate PV points and PV does not include purchases of product with Product Credit.

The PV of a product is clearly delineated on the Product Order Form. Product Credits are non-cash redeemable points that can be used to purchase doTERRA designated products.

After the Member has been an LRP participant for a minimum of 60 days, the Member can redeem Product Credits to purchase full PV products. LRP Product Credits can be redeemed for 12 months from the date of issue, after which they expire. The Product Credits can be redeemed for a \$3.00 fee by calling Member Services on (02) 8015 5080. Products purchased with LRP credits are not for resale and doTERRA's Returns Policy does not apply. Redemption orders have no PV and cannot be combined with other product orders. Product Credits have no cash redemption value and are not transferrable. All Product Credits will be cancelled if participation in the LRP program is cancelled. A Member's initial LRP order may only be cancelled by calling the Company. Any subsequent LRP order can be cancelled online by the Member before the scheduled ship date. Further detail about the LRP is provided in the doTERRA Policy which is available at https://www.doterra.com/AU/en_AU/policymanual-doterra-australia
