DEMONSTRATION CLASS

How many of you have felt...

- 💧 **disconnected**
- 💧 **emotionally drained**
- 💧 **dragged down with stress/health concerns**

How many of you want a way to connect with others while addressing these emotional/physical needs?

The Solution?

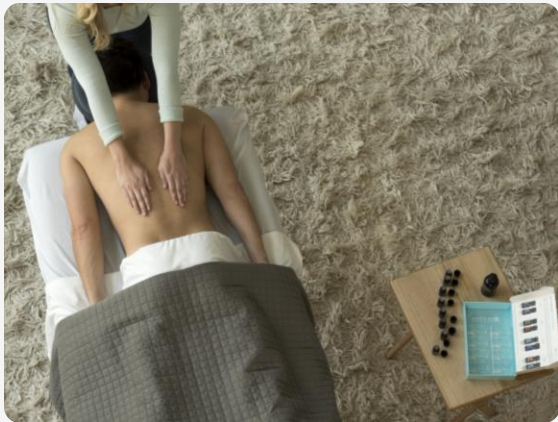

aromatouch **TECHNIQUE**[®]

Who?

Dr. Hill wanted to help those looking for solutions through the essential oils to feel confident using and sharing them.

Why?

To create a **simple, safe, shareable** way to connect with someone through an essential oil experience for both the novice and professional.

How?

It addresses the four pillars of health:

Stress Management, Supporting Immunity, Proper Inflammation, and Homeostasis.

The Role of Aroma

THERE IS A DIRECT CONNECTION BETWEEN
THE OLFATORY NERVE & THE LIMBIC SYSTEM

1.

AROMA TRIGGERS
THE OLFATORY
NERVE

2.

OLFATORY NERVE
SENDS A SIGNAL TO
THE LIMBIC SYSTEM

3.

AROMA CONNECTS TO
OUR MOOD, EMOTION,
& MEMORY

A person is lying face down on a massage table, receiving a back massage. Two hands are placed on their shoulders. The background is a soft-focus indoor setting.

The Role of Touch

-  **TOUCH IS THE FIRST SENSE WE DEVELOP**
-  **ALMOST AS EFFECTIVE AS WORDS & FACIAL CUES**
-  **PROVIDES STRESS RELIEVING EFFECTS FOR THE BODY**

A person with long blonde hair, wearing a white sweater, is standing and holding a small, dark-colored bottle of essential oil in their right hand. They are positioned over a person who is lying face down on a massage table, covered with a grey sheet. The background is a blurred indoor setting with a window and some greenery.
