Everyone who successfully completes Diamond Club will be recognized on stage at our Leadership Retreat and will receive a trophy.
For the first time ever, the top AU/NZ Diamond Club winners will have the opportunity to join dōTERRA on a sourcing trip with David Stirling. This year’s winners will have the chance to visit dōTERRA partner growers and distillers to witness first-hand how tea tree essential oil is grown, harvested, and distilled. This rare opportunity to see some of the dōTERRA’s supply chain will also give these Wellness Advocates insight on how their efforts to share essential oils are not only benefiting those who have them in their homes, but also benefit the farmers and workers producing these oils.

More detailed information about the trip will be provided to the winners at the conclusion of Diamond Club. The farm that we will be visiting is just outside of Port Macquarie, a beautiful coastal town in New South Wales. The trip will take place in the week of Leadership Retreat, flying into Port Macquarie on Tuesday 17th July and will include a Welcome Dinner with David Stirling, Adam Berry and all Diamond Club prize winners and their partners.

Breakfast is included with the accommodation. A tour of the farm will be conducted on the morning of Wednesday 18th July and depending on the weather, we will be able to see the harvesting of the tea tree, get a feel for the distillation of the oil and participate in activities that are part of the processing of the oil while meeting the owner and workers at the farm.

Lunch will be provided and we will then make our way to the airport where flights will be booked (via Sydney) to take us to the Gold Coast arriving Wednesday night, in time for the start of Leadership Retreat for Diamond and above leaders on Thursday 19th July.
