The next step is to apply for WA Matched Funding through the US Website – doTERRAhealinghands.org/ how-we-empower/you. and prepare for this to be included in

CONNECT WITH A CHARITY

The dōTERRA Healing Hands Foundation Australia (dHHFA) can match funds that are raised by a WA for aligned and qualifying nonprofits. These will be non-profits whose main purpose is to relieve poverty, sickness, suffering or disability. They will be registered in Australia as a Publically Benevolent Institution. Therefore, if you are considering applying for matched funding at the dHHFA the first step is to connect with the organisation you hope to do a project with and check if they meet this criteria.

DHHFA MATCHED DONATION MADE

Finally, when the Grant Agreement is signed by both parties dHHFA will make the donation to your selected charity partner.

APPLY TO DHHFA

dHHFA then verify the donation has been made. If and when the donation is verified dHHFA draft a Grant Agreement between us and your selected charity partner. The grant amount will be the matched funding amount that we have agreed to provide.

ADVISED ON THE SUCCESS OF YOUR APPLICATION

The dHHFA may ask for further information ahead of considering the application. Once dHHFA have all information required they determine whether or not to support the proposed matched funding campaign. If you are successful and dhhfa can match the funds that you raise move to step 6. If dHHFA cannot support the proposed matched funding campaign you will be advised of this. At this point your application will also be sent back to the US Healing Hands team because on select occasions the US Healing Hands Foundation may still be able to match the funds you raise (NB: this is wholly at their discretion).

FUNDRAISING CAMPAIGN

The next period is for you to run your Fundraising activities and raise funds. Note – In your approval you will receive instructions with what language and how you can refer to the matched donations from dHHFA.

FUNDRAISING CAMPAIGN

Once you have completed your fundraising campaign you will make the donation to the nominated account of your selected charity. When you have done this you will then need to forward proof of this transaction to the dHHFA.
