Create a non-toxic surface cleanser.

Fill a spray bottle with 1 teaspoon of On Guard® Cleaner Concentrate, 20 drops of your chosen essential oil (or combination of oils) and top up the rest of the bottle with distilled water.

Try: dōTERRA On Guard® Protective Blend, Tea Tree, Eucalyptus, Lemon or Peppermint essential oils.

Create a natural fabric softener.

Fill a large glass bottle with vinegar and add 20 drops of your chosen essential oil (or combination of oils). Use ½ cup of solution to replace your fabric softener, when washing your clothes. **You could even pop a drop in your washing powder for a naturally pure aroma!*

Try: dōTERRA Easy Air® Clear Blend, On Guard® Protective Blend, Lavender or Tea Tree essential oils.

Add to your bath.

Mix 3-4 drops of the oil of your choice with Fractionated Coconut Oil and ¼ cup of Epsom salts. Add to a warm bath. Soak away the day as you enjoy the aroma.
