- The Winter Wellness discounted products are only available to order through the AU and NZ warehouse.
- There are no limits.
- Our Winter Wellness range of products can be purchased on your LRP template however you are unable to save the LTO items to your template, you will be required to "process now".
- In order to process an LRP template you will need to ensure that you include a standard item on your order.
- You are able to order the Winter Wellness range of products on a standard order.

FAQS

Do I need to submit my order on a Loyalty Rewards Program (LRP) Template to be able to purchase these discounted items?

You can purchase these products on your Loyalty Rewards Program template but you will have to select "process now". You can also access these discounted items by processing a standard order. However, when you process your order on an LRP Template, you are opening the door to receive product points and possibly the Product of the Month (provided you order on or before 15th of the month).

Will I need an additional item on my Loyalty Rewards Program (LRP) Template to be able to purchase the Winter Wellness discounted products?

To process your order on your LRP template you will need to ensure that you have a standard item on your order.

Is there a limit to the number of Winter Wellness discounted items I can purchase?

There are no limits on the products available for purchase through our Winter Wellness promotion.
