

dōTERRA RESCUER®

Soothing Blend 5mL

Woody, minty, floral

Aromatic description

PRIMARY BENEFITS

- Helps create a comforting and soothing environment.
- Creates a cooling and revitalising experience.

PRODUCT DESCRIPTION

After a busy day of activity, diffuse dōTERRA Rescuer Soothing Blend for a relaxing environment. Copaiba, Lavender, Spearmint, and Zanthoxylum are expertly combined to soothe and promote resilience. Apply Rescuer with fractionated coconut oil onto your legs, hands, or shoulders after exercising or a long day of physical activity to create feelings of comfort and relief. Zanthoxylum, an essential oil unique to this dōTERRA blend, is known for its calming and soothing benefits. Rescuer has a fresh, yet calming aroma that provides soothing support while comforting the emotions.

DIRECTIONS FOR USE

Apply with fractionated coconut oil onto tired legs before bedtime or after strenuous activity.

Diffuse with thoughts of relaxation to reduce feelings of tension.

Massage into shoulders, neck, and back for a comforting and soothing experience.

For external use only.
