

dōTERRA FACIAL SPRITZ

Infused with Wild Orange & Neroli 100mL

PRIMARY BENEFITS

- Mist daily to promote a healthy-looking, dewy glow
- Free from synthetic preservatives, colours and artificial fragrances
- Infused with invigorating blend of Neroli and Wild Orange CPTG® essential oils
- Enriched with soothing Aloe Vera
- Protects against environmental pollutants
- Dermatologist approved & clinically tested to be kind and safe for skin

PRODUCT DESCRIPTION

Instantly refresh and revitalise with this aromatic, mood-enhancing facial spritz infused with an invigorating blend of Neroli and Wild Orange CPTG® essential oils. Enriched with soothing aloe vera to tone and boost hydration, this replenishing mist delivers natural antioxidants to the skin, awakening the complexion as it protects against environmental pollutants. The perfect way to restore moisture to sensitive or dry skin and achieve a healthy-looking, dewy glow.

DIRECTIONS FOR USE

Refresh the skin by misting onto face, neck and hands as desired. Suitable for use over makeup. Keep in the fridge for cooling, summertime pick-me-up. For external use only.
