Rich, honey, sweet, woody

Aromatic description

PRIMARY BENEFITS

- Promotes healthy-looking, smoother feeling skin
- Reduces the appearance of skin imperfections
- Uplifting aroma
- Frequently used in meditation for its grounding and uplifting aroma

PRODUCT DESCRIPTION

From a renewable source in Hawaii, dōTERRA's amazing Sandalwood essential oil delivers a variety of benefits, including to help the skin feel smoother and provides an uplifting aroma. With thousands of years of documented use, this oil has a high value to many users.

Hawaiian Sandalwood has a rich, sweet, woody aroma that instills feelings of calmness and emotional well-being, making it a perfect oil to incorporate into massage or aromatherapy. Sandalwood is very soothing and beneficial to the skin, making it highly sought after in body and skin care products.

Hawaiian Sandalwood can help reduce the appearance of skin imperfections and support your overall complexion. In addition to being soothing to the skin, Hawaiian Sandalwood can help promote emotional well-being.

USES

- Diffuse or apply to the neck and shoulders at bedtime before a restful night's sleep.
- Add one to two drops to your favourite moisturiser or night cream to support a glowing appearance.
- Add one to two drops to a hot bath to promote relaxation and a sense of calmness.

DIRECTIONS FOR USE

DIFFUSION: Use three to four drops in the diffuser of choice.

TOPICAL USE: Apply one to two drops to desired area. Dilute with a carrier oil to minimise any skin sensitivity.
