PRODUCT DESCRIPTION

It's looking out your window at the orange glow of a fading sunset or seeing the gentle smile of a good friend. It's collapsing in your favourite armchair after a long, hard day or the feel of a favourite fluffy comforter just out of the dryer.

It's the warm feeling of contentment you get enjoying life at home with treasured family and friends. Known in Nordic countries as Hygge, pronounced hoo-gah, this is the practice of finding joy in everyday moments. dōTERRA captures this comfort and familiarity in a bottle with the Hygge Cozy Blend. Surround yourself with the aroma of fresh, fragrant oranges, warm and earthy woods, and sweet vanilla. Let the rich aroma of Hygge take you to a place of contentment. Delight in the little things. Simple pleasures are the best.
