- In consideration of the environment, this container is made with plant-based plastic materials in consideration of the environment, this container is made with glass and Green Nano materials.

*Moisturising agent

PRODUCT DESCRIPTION

This facial cleansing foam creates a rich, voluminous lather. The fine bubbles act as a cushion, gently removing impurities without straining the skin, leaving it feeling soft and moisturised after use.

99% natural origin index (including water) ISO 16128 compliant.

Allergy tested (this does not guarantee that all users will be free from allergic reactions).

DIRECTIONS FOR USE

Take a small amount (pea-size) into the palm of your hand, add a small amount of lukewarm water and work into a lather. Wash your face with the foam, then rinse thoroughly with lukewarm water and pat dry with a clean towel.

CAUTIONS

For external use only. Avoid contact with eyes, if product gets into your eyes, rinse immediately. Discontinue use if skin irritation occurs. Do not use on broken or irritated skin. Store in a cool dark place, and out of reach of children.
