

# KĀNUKA ESSENTIAL OIL

*Kuncea ericoides 5mL*

*Sweet, herbaceous, earthy*

*Aromatic description*

## PRIMARY BENEFITS

- Light, fresh, herbaceous aroma.
- Gentle on skin.
- Boosts household cleaners.

## PRODUCT DESCRIPTION

Part of the myrtle family, Myrtaceae, and related to Tea Tree, Eucalyptus, and Clove Bud, CPTG® Kānuka essential oil is steam distilled from the leaves of the shrub-like Kānuka tree. Sometimes called white tea tree, with white or pale pink flowers, the plant was prized by the Maoris of New Zealand for centuries for its health benefits. Kānuka oil is rich in alpha-pinene, which makes it a good addition to personal and household cleaners. When applied topically, it can help calm and soothe the skin and scalp. Popular in perfumes, Kānuka oil has a fresh, sweet, green aroma that is similar to Tea Tree essential oil but lighter and softer.

## USES

- Add to your favourite skin care products.
- Enjoy as a personal fragrance.
- Include in DIY household cleaners.

## DIRECTIONS FOR USE

**DIFFUSION:** Use three to four drops in the diffuser of your choice.

**TOPICAL USE:** Apply one to two drops to desired area. Dilute with a carrier oil to minimise any skin sensitivity. See additional precautions below.

## CAUTIONS

**KEEP OUT OF REACH OF CHILDREN.** Possible skin sensitivity. If you are pregnant, nursing or under a doctor's care consult your physician. Avoid contact with eyes, inner ears and sensitive areas.

## MAIN CHEMICAL COMPONENTS:

Pinene

## PLANT PART:

Leaf

## EXTRACTION METHOD:

Steam distillation
