

dōTERRA® NECK WRAP DUO

Neck & Back Wrap with Adaptiv® Tranquil Mist | 30mL

PRIMARY BENEFITS

- Wrap gently provides warmth or cooling to the neck, back or other areas of concern
- Wrap surrounds you in soothing comfort
- Mist creates a calm and relaxing atmosphere

PRODUCT DESCRIPTION

Show yourself or someone you love some TLC with the dōTERRA Neck Wrap Duo. After a difficult workout, a strenuous hike, or a long day of stressful meetings, this comfortable and flexible weighted wrap can be heated in the microwave or cooled in the freezer for the perfect tool to address any concern. Perfect for use while getting ready for bed, watching a favourite show, or even while working, the hands-free, velvet wrap is soft and gentle on skin and can be positioned for maximum comfort.

Spray Adaptiv Tranquil Mist on the wrap after it's heated or chilled to create a tranquil ambiance. The mist contains the dōTERRA Adaptiv® Blend, a unique combination of CPTG® essential oils: Lavender, Magnolia, Neroli, Wild Orange, Spearmint, Copaiba, Sweetgum, and Rosemary, formulated expressly to help create a relaxing environment. The dōTERRA Neck Wrap Duo makes a great gift for yourself, a favourite co-worker, or the athlete in your life.

DIRECTIONS FOR USE

HEATING INSTRUCTIONS: Place in the microwave for a recommended maximum of 1½ minutes. If additional warmth is desired, continue microwaving in 30 second intervals, not to exceed 2½ minutes total heating time per use. If wrap causes discomfort, remove immediately. Use no more than 20 minutes at a time.

COOLING INSTRUCTIONS: Place in plastic bag and leave in freezer for at least 4–6 hours. To enhance your experience, pair with Adaptiv® Tranquil Mist. Spray Neck and Back Wrap once or twice after it is heated or cooled

CAUTIONS

NECK AND BACK WRAP: If wrap causes discomfort, remove immediately. Use no more than 20 minutes at a time.

ADAPTIV TRANQUIL MIST: Not for direct use on skin. Keep out of reach of children. If pregnant or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas.
