

dōTERRA PLATYPUS WARMIE

We just adore this gorgeous Platypus Warmie! Much safer and more comforting than a Hot Water Bottle, the dōTERRA Platypus Warmie can be heated to provide several hours of soothing warmth and comfort. Sure to keep you toasty warm on those chilly nights or when you need the soothing warmth of a warm pack on tired, tensed up muscles!!

DETAILS

- Great for snuggling at bed-time and can be used to soothe away aches, pains, and stomach cramps, making them ideal for anyone of any age.
- Use as a cold pack too! Perfect for those hot summer nights or for cooling the skin.

DIRECTIONS FOR USE

Heat in the microwave for up to two minutes (800 watts).

Place inside a plastic bag and chill in the freezer for 2-3 hours to use as a cold pack.

Dab your favourite CPTG® essential oil on dabbing pouch and re-apply as needed.

CAUTIONS

Designed to be heated in a microwave only. Never immerse in water. Clean with a damp sponge when necessary.

MATERIALS

Made from 100% Polyester. The filling consists of microwave safe grain and French Lavender. Manufactured with extra strong seams, using microwave safe thread and fabrics. All materials have been specially designed to be heated in a microwave.
