dōTERRA PROTEIN SHAKER BOTTLE

900mL

PRODUCT DESCRIPTION

This limited edition dōTERRA Shaker Bottle is durable and of premium quality. Double walled and made from high quality stainless steel this shaker bottle is designed to perfectly blend your dōTERRA Nutrition Proteins, Fibre, and Greens.

It will quickly become your daily essential as you head out to the gym, work or even just out and about!

PRODUCT FEATURES

- Shaker spring ball inside to ensure all powders are blended.
- Double walled stainless steel construction is stronger and keeps your water colder for longer.
- Durable hard BPA-free plastic lid is secure and leak proof.
- Convenient handle for easy transport.
- Soft silicone strap holds the screw top lid so you don't lose it.

CAUTIONS

Not for use by children. Not to be used as a thermos.
