

TERRASTONE PASSIVE DIFFUSERS

Enjoy dōTERRA CPTG® essential oils wherever you go with this pair of portable and sustainable Terrastone Passive Diffusers. Housed in recyclable aluminum, these stylish and functional diffusers are small, reusable, eco-friendly, and designed to add aroma, ambiance, and style to any space. They can be placed on any flat surface using the included sticky rubber pad or attached to a magnetic surface using the built-in magnet in the base.

Add a few drops of essential oil to the Terrastone surface for a touch of freshness — on the shelf of a linen closet, corner of an office desk, or a hotel nightstand. To help preserve your favorite aroma, the diffusers come with a resealable lid. A thoughtful hostess gift for holiday parties, your niece's dorm room, or for yourself, Terrastone Passive Diffusers are also a wonderful way to introduce someone to the beauty of essential oil diffusion.

HOW TO USE

Turn the cover to open. Add 5-8 drops of desired oil to the diffuser surface. Refresh with additional drops of oil as needed. Place on any flat surface using the included sticky rubber pad or attach to a magnetic surface using the built-in magnet in the base. Keep diffusers away from any precision equipment that may be sensitive to magnetic force, to avoid damage. Use only as directed.

PRIMARY BENEFITS

- Refresh any small space, no power needed
- Change, or strengthen aroma by adding more drops
- Close lid to keep aroma fresh
- Use sticky rubber pad or magnet to secure
