

WILD ORANGE

Citrus sinensis 15 mL

Uplift

Aromatic description: Sweet, fresh, citrus

Sweet, zesty and refreshing, uplift your day with Wild Orange dōTERRA® Wild Orange Essential Oil is cold pressed from the peel, which results in a high intensity of flavour and aroma. It's probably why Wild Orange has such an energising aroma and distinct citrusy flavour.

PRIMARY BENEFIT

Wild Orange Essential Oil's energising and uplifting aroma makes it ideal for diffusion. Use it to promote a sense of joy and positivity into your home, workplace or place of study.

SECONDARY BENEFIT

Sweet and zesty. Wild Orange's distinct flavour can be added to food or water. Make a refreshing and citrusy beverage by adding one or two drops to a glass of water.

TERTIARY BENEFIT

Bright and refreshing. Diffuse Wild Orange Essential Oil to revitalise and rebalance your environment by eliminating unwanted odours.

PRODUCT DESCRIPTION

Cold pressed from the peel, Wild Orange is one of dōTERRA®'s top selling essential oils due to its energising scent.

High in monoterpenes, Wild Orange essential oil has a stimulating and uplifting aroma, making it ideal for diffusion. It can be added to food or water for a citrus burst of flavour.

Wild Orange enhances any essential oil diffuser blend with a fresh, sweet and refreshing aroma.

USES

- Add a drop to your water or recipe calling for a citrus flavour.
- Diffuse for an uplifting aroma. Blends well with Cinnamon Bark, Cedarwood, Frankincense, Bergamot and Peppermint essential oils.
- For an energising aroma boost, dispense one to two drops in the diffuser with equal parts Peppermint and Frankincense essential oils.

PLANT PART:

Leaf
