Description

Your home is an ecosystem, and you should feel good about the products you use to clean it. Designed to power away food particles and stains on all your dishes, abode Dishwasher Pods are concentrated, reliable, and effective.

Free from phosphates, phthalates, dyes, and chlorine, the plant-based pods use naturally sourced enzymes and CPTG® essential oils to make your dishes gleam and smell delightfully fresh. The abode Dishwasher Pods are available in a 24-count bag. Formulated using simple, naturally sourced ingredients, the entire dōTERRA abode™ product line is made for the conscious consumer.

Directions

Place one pod in your dishwasher's soap cup. Do not unwrap pod and make certain your hands are dry before handling.

Cautions

Use product only as directed as a dishwasher detergent. Keep container tightly closed when not in use.

FIRST AID: If swallowed: Give a glass of water and call a poison control center or doctor immediately. Keep out of the reach of children and pets. Avoid contact with eyes. If in eyes, rinse immediately and thoroughly with water
