Primary Benefits

- + Softens fibers
- + Reduces fabric wrinkles
- + Shortens drying time
- + Leaves your fabrics soft and smelling fabulous

Description

These 100% New Zealand wool balls replace your dryer sheets with synthetic fresheners and are safe for use with all fabrics. Place one to four drops of your favourite CPTG® essential oil onto the wool dryer balls and toss two to four dryer balls with laundry in the dryer. Once done, remove and reuse the dryer balls again and again. The abode Dryer Balls come in a cotton bag for easy storage.

Directions

Place two to four drops of favourite CPTG essential oil onto the wool dryer balls. Toss two to four balls in the dryer with each laundry load.
