## Primary Benefits

- + Helps to temporarily promote relaxation
- + Helps support cognitive function and performance in adults.

## Description

Adaptiv Capsules are designed to support your daily efforts to balance your lifestyle and adapt to ever-changing circumstances. Formulated with a calming blend of essential oils and plant extracts, Adaptiv Capsules can help temporarily promote relaxation, making them an ideal tool for your longest, fullest days. Additionally, taking one capsule daily can support cognitive function and performance in adults. NPN 80107170

## Directions

Adults take one (1) capsule daily.

## Cautions

Keep out of reach of children. Do not use if you are pregnant or breastfeeding. Consult your health care practitioner prior to use if you are taking anxiolytics, MAO inhibitors, antidepressant medications (e.g. selective serotonin reuptake inhibitors (SSRI)), phosphodiesterase type 4 (PDE4) inhibitors, or for use beyond 3 months.
