Retail: \$28.67 CAD

PV: 18

PRODUCT DESCRIPTION

Clove has been used for years in dental preparations, candy, and gum for its flavor and ability to cleanse the mouth, yet it provides a myriad of benefits. Its main chemical component, eugenol, creates a very stimulating and energizing aroma that can be used as a warming massage oil. As a cooking spice, Clove adds a spicy flavor to any dish or dessert. One drop can help promote fresh breath.

USES

Cosmetic

- Add one drop to toothbrush before applying toothpaste.
- Combine with dōTERRA SPA Hand and Body Lotion for a skin-warming lotion.
- Dilute with Fractionated Coconut Oil and apply topically for a soothing massage.
- Place one drop of Clove in two ounces of water and gargle for a fresh mouth rinse.
- Combine two drops Clove, two drops Tea Tree, and honey for a clarifying face mask.

Food

- In place of dry clove, use to taste when baking treats.

Household

- Combine two drops Clove, Cinnamon, and Tangerine with water in a spray bottle for a pleasant room spray.

DIRECTIONS FOR USE

Diffusion: Use three to four drops in the diffuser of choice.

Internal use: Dilute one drop in 120mL of liquid.

Topical use: When used topically, dilute 1 drop with 5-10 drops of carrier oil to minimize skin sensitivity.

CAUTIONS

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas.

DESCRIPTION DU PRODUIT

Bergamot is the most delicate of the citrus plants, requiring a special climate and soil in order to thrive. Italians have used Bergamot for years to soothe skin. In Greece, the unripe fruits are used as sweetmeats, eaten by the spoonful as a dessert or with coffee. Bergamot is unique among citrus oils because its aroma can be both uplifting and calming, while also cleansing the skin.

USAGES

- T** Apply to the skin while showering and inhale deeply to experience its calming aroma while enjoying its skin benefits.
- I** Change regular tea to Earl Grey with the addition of Bergamot.

MODE D'EMPLOI

Diffusion : se three to four drops in the diffuser of your choice.

Internal use : Dilute one drop in 4 fl. oz. of liquid.

Topical use : Apply one to two drops to desired area. Dilute with dōTERRA Fractionated Coconut Oil to minimize any skin sensitivity. See additional precautions below.
