

Copaiba

Copaifera reticulata, officinalis, coriacea, and langsdorffii 15 mL

dōTERRA® | CANADA

PRODUCT INFORMATION PAGE

CPTG Certified Pure Tested Grade

Application: A T S

Plant Part: Resin from *Copaifera reticulata, officinalis, coriacea, and langsdorffii*

Extraction Method: Steam distillation

Aromatic Description: Spicy, woody

Main Chemical Component: β -caryophyllene

Copaiba

Copaifera reticulata, officinalis, coriacea, and langsdorffii 15 mL

Part Number: 60202899

Wholesale: \$45.00 CAD

Retail: \$60.00 CAD

PV: 37

PRODUCT DESCRIPTION

Copaiba essential oil is derived from the resin of the copaiba tree which can grow upwards of more than 100 feet and can be found in tropical South America. Copaiba oil is widely used in cosmetic products including soaps, creams, lotions, and perfumes. Since the 16th century, copaiba essential oil has been utilized by the natives of north and northeastern Brazil. Similar to Black Pepper essential oil, Copaiba can help promote a peaceful environment, and it can be added to moisturizer to enhance the appearance of healthy-looking skin.

USES

Cosmetic

- Combine with two ounces of water and gargle.
- Place one drop in warm bath water for a calming aroma.
- Add two drops Copaiba and Epsom salt to a warm foot bath.
- Add to moisturizer to enhance the appearance of healthy-looking skin.
- Massage into hands, wrists, and elbows for a soothing and moisturizing effect.

Household

- Diffuse for an energizing aroma during daily activity.
- Combine two drops Copaiba with two drops Eucalyptus in a diffuser for an invigorating blend.

DIRECTIONS FOR USE

Diffusion: Use three to four drops in the diffuser of choice.

Topical use: When used topically, dilute 1 drop with carrier oil as needed for skin sensitivity.

CAUTIONS

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas.
