Description

The brand name Deep Blue® is synonymous with an active lifestyle. Popular with athletes and active adventurers, the CPTG Certified Pure Tested Grade® essential oil blend and its complementary products are highly trusted among their users. Now the Deep Blue line boasts an ingestible product designed to support you in your daily activity regimen. The Deep Blue Polyphenol Complex delivers polyphenol extracts of frankincense, turmeric, green tea, ginger, pomegranate, and grape seed. Take as needed, or take every day for long-lasting benefits. NPN 80071413
