Cautions

Consult a healthcare practitioner prior to use if you are pregnant or breastfeeding; taking antiplatelet medication, blood thinners, or any other prescription medications; have gallstones or a bile duct obstruction; or have stomach ulcers or excess stomach acid. If you have a liver disorder, consult a healthcare practitioner prior to use. Stop use if you develop symptoms of liver trouble such as yellowing of the skin/eyes, stomach pain, dark urine, sweating, nausea, unusual tiredness and/or loss of appetite and consult a healthcare practitioner. Rare, unpredictable cases of liver injury associated with green tea extract-containing products have been reported. Hypersensitivity (e.g. allergy) has been known to occur; in which case, discontinue use. Some people may experience mild gastrointestinal disturbances such as diarrhea, abdominal pain, heartburn, nausea, and vomiting; in which case, discontinue use. Do not use if you are allergic to plants of the Apiaceae/Carrot family.
