PRODUCT DESCRIPTION

Safe and effective, dōTERRA Baby Diaper Rash Cream spreads easily on delicate baby skin to help treat and prevent diaper rash. Infused with CPTG® Lavender, Carrot Seed, and Tea Tree essential oils, this unique blend helps balance and soothe the skin while rich muyao shea butter works to moisturize, leaving skin soft and smooth. Non-nano zinc oxide creates a barrier to protect from excess moisture, preventing diaper rash before it starts. Protect little ones with this gentle cream designed just for sensitive baby skin.

NPN 80078640

DIRECTIONS FOR USE

Change wet or soiled diaper promptly. Cleanse the diaper area and allow to dry. Apply cream liberally as often as necessary with each diaper change, especially at bedtime or any time exposure to wet diapers may be prolonged.

CAUTIONS

For external use only. Avoid contact with eyes. Consult a health care practitioner if symptoms worsen or last for more than seven days. Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center immediately.

ACTIVE INGREDIENT:

Zinc Oxide 25% (Purpose: Skin Protectant)
