Description

dōTERRA baby Lotion contains shea butter, jojoba, fruit extracts, and other naturally derived humectants that support the skin's natural moisture barrier. The lightweight formula instantly nourishes a baby's delicate skin and provides long-lasting moisturization without irritation, leaving skin powdery soft to the touch. A lightly scented blend of vanilla extract with CPTG® Lavender and Roman Chamomile essential oils makes applying this lotion a sweet bonding experience between you and your baby.

Directions

Massage into your baby's skin as often as needed. Gentle enough for everyday use.

Cautions

For external use only. If irritation occurs, discontinue use. Use only with adult supervision.
