dōTERRA sun | Collection

---

## Description

The dōTERRA sun collection features three SPF 30 sunscreen options and an essential after sun spray, so you're covered both during your time in the sun and after. The lotion, stick, and spray are lightweight, moisturizing, and offer water-resistant, mineral-based protection powered by non-nano zinc oxide.\* The After Sun Spray uses soothing plant extract and CPTG® essential oils to comfort and calm the skin after sun exposure. Every dōTERRA sun product is free from harmful synthetics such as oxybenzone, benzene parabens, and phthalates. Plus, all four formulas are vegan-friendly and cruelty-free, and reef safe! Made for every day, every age, and every body, dōTERRA sun has you covered.
