Product Description

Vetiver essential oil has a warm, sweet, woody, and earthy aroma. Steam distilled from the strong roots of a tall grass, Vetiver essential oil lives up to its nickname, "fragrance of the soil" with its grounding and calming aromatic properties. dōTERRA blends Vetiver with Fractionated Coconut Oil to create a roll-on that smooths and hydrates the skin, perfect to use in any nighttime or skin care routine.

Why should I add dōTERRA Touch Vetiver to my collection? dōTERRA Touch Vetiver offers the same treasured benefits as the 15 mL Vetiver essential oil, optimized for topical use in a portable roller bottle. Prediluted in a base of Fractionated Coconut Oil, dōTERRA Touch Vetiver is a gentle alternative for those with sensitive skin and glides on smoothly whether it's used in a daily skincare routine or a comforting bedtime massage.
