#### PRODUCT DESCRIPTION

Cute and whimsy, the doTERRA Koala Diffuser is a fun addition to any room. Easy to use and perfect for diffusing with the positive, resilient aroma of Stronger® essential oil blend, the Koala Diffuser is charming and delightful! The diffuser features two ambient light options, four musical settings, and five-volume levels. Whether you want a soothing piano lullaby at night, or cheerful birdsong in the morning, you can choose sounds to match any situation!

The darling Koala Diffuser can fill a 25 square meter room for up to four hours when operated continuously or up to eight hours with intermittent operation. Wherever it lives in your home, the doTERRA Koala Diffuser will make an adorable and practical addition to any playroom or bedroom. Coupled with the warm, fortifying aroma of Stronger, this duo is the perfect companion for your children while they study or

\*See diffuser manual and product label for cautions and instructions.

### STRONGER PRIMARY BENEFITS

- · Has a bright, warm, energizing aroma
- Provides a positive aroma during a massage
- Provides a supportive environment during study or playtime
