Main Chemical Composition: Vanillin

Madagascar Vanilla | *Vanilla planifolia* 5 mL

60218204

Primary Benefits

- + Provides a rich, warm, sweet, and inviting aroma.
- + Creates a comforting and relaxing atmosphere
- + Adds a rich, sweet scent to your favourite diffuser blends

Description

Familiar and nostalgic. Evocative and romantic. Fill your home with the essence comfort by adding Madagascar Vanilla to your favourite diffuser blend. Use as a captivating personal fragrance or add a few drops to a bath oil or body lotion to enjoy a luxurious moment as you breathe in the exquisite aroma of Madagascar Vanilla.

Prized since ancient times, vanilla is one of the most popular aromas in the world, and one of the most expensive to produce. Plant blooms must be hand pollinated, and it takes three to four years for the vanilla plant to begin producing beans that must be harvested by hand. The beans go through a time-consuming and labour-intensive process to preserve the rich vanilla aroma in the resulting absolute. We combine this absolute with Fractionated Coconut Oil, resulting in the divine-smelling dōTERRA Madagascar Vanilla.

Uses

- + Diffuse with a favourite CPTG Certified Pure Tested Grade® essential oil or blend.
- + Use as a personal fragrance.
- + Add a few drops to a warm bath.
- + Blend into a moisturizing body lotion.

Directions

Aromatic use: Add two to three drops to your favorite essential oil blend.

Topical use: Apply one to two drops to desired area. Dilute with a carrier oil to minimize any skin sensitivity. See additional precautions below.

Cautions

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas.
