Primary Benefits

- + Promotes a stimulating atmosphere when diffused during exercise
- + May help reduce adipose fat cells when ingested
- + Creates an uplifting, stimulating environment
- + Adds a delicious taste to water and beverages

Description

Developed with dōTERRA clinical researchers, MetaPWR essential oil blend is a proprietary balanced ratio of CPTG® Grapefruit, Lemon, Peppermint, Ginger, and Cinnamon Bark essential oils. Blended together for their harmonious taste, a drop of MetaPWR makes a delicious addition to your favourite beverages, smoothies, or daily water bottle. When diffused, the citrusy, spicy, and minty aroma of MetaPWR invites a stimulating, uplifting environment into your home, office, or exercise room.

Why should I add MetaPWR oil blend to my collection? MetaPWR blend is one of the most unique yet harmonious dōTERRA blends, specifically engineered for its taste and dietary use. Ingredients like Grapefruit and Lemon oil offer sweet notes of citrus while Ginger and Cinnamon Bark give this blend a subtle, spicy kick. Together with Peppermint oil, MetaPWR is a delightful way to flavour water and beverages. This special blend also promotes an energizing, enlightening atmosphere when diffused or used topically.

Uses

- + Diffuse or place a few drops on your hands, cup them over the nose, and inhale deeply to create a stimulating environment that's ideal for exercise.
- + Add drops to a carrier oil or lotion during an uplifting massage.
- + Add a drop to water, tea, or smoothies and drink for a pleasant flavour.

Directions

Diffusion: Add four drops to the diffuser of your choice.

Internal Use: Take one drop with 120 mL of liquid.

Topical use: Apply one to two drops to desired area. Dilute with a carrier oil to minimize any skin sensitivity.

Cautions

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas. Avoid sunlight and UV rays for at least 12 hours after applying product.
