

MetaPWR™ Advantage | 30 Sachets
60224197

Primary Benefits

- + Helps to maintain the body's ability to metabolize nutrients.
- + Helps in collagen formation to maintain bones, cartilage, teeth and gums.
- + Helps to support healthy hair, nails, and skin.
- + Helps in wound healing and connective tissue formation.
- + Helps to reduce joint pain associated with osteoarthritis.
- + Helps to support the immune system.
- + Source of antioxidants that help protect against oxidative cell damage caused by free radicals
- + Source of essential and non-essential amino acids involved in protein synthesis for maintenance of good health.
- + Source of vitamins and minerals to support biological functions which play a key role in the maintenance of good health.

Description

MetaPWR Advantage was developed by dōTERRA researchers to support good health, regardless of age. Our sophisticated list of synergistic active ingredients supports good health across three major wellness targets: maintaining metabolic function, promoting cellular integrity through antioxidant support, and increasing overall healthspan with collagen and essential vitamins, minerals, and amino acids. NPN 80125274

MetaPWR Advantage contains nine types of collagen tripeptides from a marine source to support healthy skin, hair, and nails, as well as help the healthy formation of connective tissue, cartilage, and bone. Taking MetaPWR Advantage once a day is designed to help supplement the vital collagen your tissues need over time, helping you enjoy good health longer—in other words, increase your healthspan.

MetaPWR Advantage is part of the MetaPWR™ Collection. Combined with healthy lifestyle choices, the entire MetaPWR Collection can help you live your most empowered life.

| + No Dairy | + No Gluten | + No Artificial Sweeteners or Flavours |

Uses

Recommended dose (Adults): Take 1 sachet per day. Add contents of sachet to 150 to 240mL of cold or room temperature water mix with your favorite cool beverage. Stir or shake before drinking. Drink immediately.

For joint pain: Use for at least 5 months to see beneficial effects.

Cautions and Warnings

Consult a health care practitioner prior to use if you are pregnant or breastfeeding. Consult a health care practitioner prior to use if you are taking prescription medications as resveratrol may alter the effectiveness of these medications. May cause mild gastrointestinal disturbances.
